About NMC Health

The NMC group (the “Group”) is the leading private sector healthcare operator in the United Arab Emirates, with a nation-wide network of hospitals and operations in the country since 1975. The Group currently operates or manages eight hospitals, two day-care patient centres, nine medical centres and fifteen pharmacies. In addition, the Group owns and operates Clinica Eugin in Barcelona, Spain - one of the leading fertility treatment centres globally. NMC also owns a 51 per cent. shareholding in Fakh IVF Group, the Middle East market leader for in-vitro fertilisation (“IVF”) services. Moreover, NMC also owns and operates Americare Group, the leading home care provider in the UAE as well as ProVita, the pioneering provider of long-term medical care, also in the UAE. The enlarged company received almost 4.3 million patients in 2016. The Group is also a leading UAE supplier of products and consumables across several key market segments, with the major contribution coming from healthcare related products. The Group reported revenues of US\$1,220.8 million for the year ended 31 December 2016.

In April 2012 NMC was listed on the Premium Segment of the London Stock Exchange. NMC is a constituent of the FTSE 250 Index.
